AGENDA

I. Update from the Chair on various reports given so far: CCI, ASC Senate, CAA

II. Review of Issues that have been raised including:

   o Quantity of Science
   o Quantity of Historical Studies
   o Loss of “2nd Science” incentive for enrollment
   o Clarification of “Data Analysis” for BA and BS
   o Role of “Science and Technology” in Curricular Experience Statement
   o Foreign Language Scenario
   o Former “GEC Requirements” that served as foundations to majors that are “lost”

III. Reconsideration of “Social Science” recommendation of “two categories” instead of “three”

VI. Check in with others who may have heard responses

V. Next Steps
