Program Learning Goals

Note: these are required for all undergraduate degree programs and majors now, and will be required for all graduate and professional degree programs in 2012. Nonetheless, all programs are encouraged to complete these now.

Program Learning Goals

Assessment

Assessment plan includes student learning goals, how those goals are evaluated, and how the information collected is used to improve student learning. An assessment plan is required for undergraduate majors and degrees. Graduate and professional degree programs are encouraged to complete this now, but will not be required to do so until 2012.

Is this a degree program (undergraduate, graduate, or professional) or major proposal? Yes
Does the degree program or major have an assessment plan on file with the university Office of Academic Affairs? No

Program Specializations/Sub-Plans

If you do not specify a program specialization/sub-plan it will be assumed you are submitting this program for all program specializations/sub-plans.

Pre-Major

Does this Program have a Pre-Major? No
Status: PENDING

W. Randy Smith
Vice Provost, OAA
Council on Academic Affairs Subcommittee C

Dear Randy,

The Disciplinary Advisory Committee for Curriculum from the Division of Arts and Humanities within the College of Arts and Sciences met and reviewed on February 25, 2011, and unanimously approved the proposal for a semester version of the MA and PhD in Dance from the Department of Dance with an ultimate unanimous vote on March 4, 2011. The committee focused on re-arrangement of the information and clarity of the proposal. The graduate degrees within the Department of Dance underwent an extensive review in relation to the success of the newly developed (since 2006) PhD in Dance. Ultimately, the faculty of Dance concluded that their programs, MA, PhD, and MFA were in line with other offerings around the nation, with the M.F.A. ranked number one in the nation. Thus, the graduate programs are moving forward in semester conversion with minimal change.

**MA in Dance:** The MA in Dance was last revised according to The Graduate School records in October 2010. The degree was 45 credits under the quarter-system and will become 30 credits under the semester-system. The newly proposed semester MA, Plan B, offers the same courses under semesters as under quarters, and follows the first year of the PhD program plan in Dance. Students are required to take the same foundational coursework under semesters as they did under quarters (Dance 801.51=6801, Dance 820 =5301, Dance 880=7900 and a selection of electives).

**PhD in Dance Studies:** The PhD in Dance Studies was created and approved in 2006. In the semester version of the PhD, they have maintained the requirements, requiring 7 seminar courses in the program core and courses selected from an additional list. Seminars have been re-shaped to include more content in the 14-week delivery, and are all 4 credit hours, while studio and lecture courses carry anywhere from 1 to 3 credit hours designations.

We are sending these two graduate programs forward for review and approval in the next stage of curricular review at the combined approval by the Graduate School and Council on Academic Affairs. You received the vetted and approved undergraduate programs of BFA in Dance, BFA in Dance Education, and Minor in Dance on Friday, April 28, 2011, and this proposal should accompany those.

The courses that are specific to all of the programs are listed under Dance in PACER. Those courses have been advanced already. All programs from Dance have the approval of Arts and Humanities. If you have any questions or concerns, please do not hesitate to call or email me at 292-5727 or williams.1415@osu.edu.

Thank you for your consideration of these proposals,

Valarie Williams, MFA, PhD, Professor of Dance
Associate Dean, College of Arts and Sciences, Arts and Humanities

TO: OAA Executive Coordinating Committee for Semester Conversion  
FROM: Susan Petry, Professor and Chair, Department of Dance

Process for all Graduate programs: The Department of Dance recommends for approval that the following graduate programs be converted from quarter to semester delivery. During the summer of 2009, the Department met for a retreat where the switch to semesters was discussed across programs. During the academic year 2009-2010, areas within the Department met to form recommendations, programs were reviewed at both UG and G levels, and an ad hoc semester conversion committee chaired by Professor Melanie Bales was convened. The conversion committee has met weekly to finalize the conversion from quarter to semester format, working with Associate Dean Valarie Williams. During Winter Quarter 2010, the conversion committee distributed projected curriculum plans across programs to all regular faculty for their feedback and input. Following the adoption of those plans, the ad hoc committee in consultation with the Chair recommends the following programs for conversion at this time.

Rationale: The Ohio State University Department of Dance last revised the MA in Dance in Spring 2010. This revision took the MA Plan A with Thesis to a MA Plan B with Master’s Examination. Therefore, the department is converting with minimal change. The PhD was conceived and designed and approved in 2006, and has its first students graduating in the program. The PhD is converting with minimal change since it is still relatively new and working well. The MFA is one of the leading degrees in the country. It is an accurate reflection of the field and prepares working artists in the dance community. Due to its success, we are converting with minimal change. Transition plans for all programs are not necessary because students are taking the exact same list of seminars on semesters as they did on quarters.

Master of Arts (MA) in Dance  
Converted with minimal change (45 quarter credits to 30 semester units)

Master of Fine Arts (MFA) in Dance  
Converted with minimal change (90 quarter credits to 60 semester units)

Doctor of Philosophy (PhD) in Dance  
Converted with minimal change (120 quarter credits to 80 semester units)

Respectfully submitted,

Susan Petry, Chair, Department of Dance
